USB 2.0 FLASH DRIVE

HANDY STENO AH220

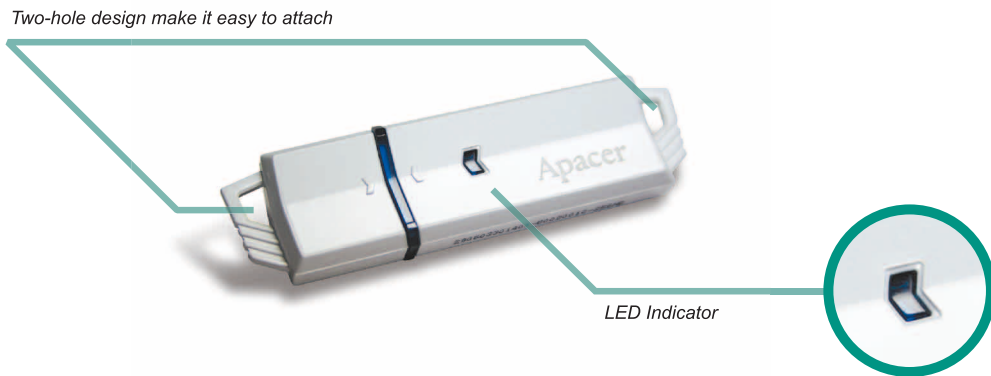

>> The Handy Steno AH220 is specially designed for anyone wanting an affordable and stylish USB 2.0 flash drive that is extremely compact and offers excellent storage capacity.

Super slim, only the size of a pack of gum with up to 2 GB storage capacity, the AH220 can be worn like a fashion accessory or carried in the tightest jeans pocket. The two holes on each end of the AH220 add to the style and functionality. Easily attached to clothing, a book bag, keychain or purse, the AH220 becomes part of a person's everyday life. Just like your mobile phone, just grab it and go.

Take it to school, to work, or share digital files with friends. Anywhere you go, the AH220 goes with you.
