New Audio Steno AU240 with sleek and compact look

Apacer Technology Inc., a global leader in memory modules and digital storage, announced the new Audio Steno AU240, an MP3 player with sleek and compact look. Unlike other MP3 players of plastic material, the AU240 packs a leather finish with lighter, shorter, and thinner slender case. The blue backlight LCM display gives the AU240 a fashion taste, combined with compact size convenience and trendy sleek look to suit your style and budget. While the high-energy Li-battery of AU240 provides a longer music playback than traditional dry battery. The built-in flash memory capacity of the AU240 is available in 1 GB, 2 GB and 4GB♦
