Apacer have introduced a neat little MP3 [player](#) into the market down under today, the "Audio Steno AU240". You can purchase it in 1, 2 and 4GB capacities with respectable retail pricing of \$45, \$65 and \$99 AUD respectively.

For the full rundown and specs listing on it check out the [official PR here](#).

Sydney, Australia, 29 October 2007 – If you are the type who cares about style and convenience, here is your MP3 [player](#). Apacer Technology Inc, a global leader in memory modules and digital [storage](#), today announced the new Audio Steno AU240, a MP3 player with sleek and compact look. Unlike other MP3 [players](#) of plastic material, the leather finish brings AU240 a sense of nobility in addition to its slim appearance. Lighter, shorter, and thinner, the AU240 packs the most elegant feel and urban trendy style into its polished and slender case.
