Simple, stylish and compact, the AH223 is the USB flash drive tailored for anyone who needs easy-to-use digital storage. Its pen cape design can easily solve the USB cap-lost problem.

Taipei, Taiwan (techmessenger.com) -- Simple, The Best! Apacer Technology Inc, a global leader in memory modules and digital storage, today announced the new Handy Steno AH223, a simple, stylish and compact USB flash drive. AH223 is the most convenient USB 2.0 flash drive tailed for anyone who needs easy-to-use digital storage. The modern ivory color brings AH223 a timeless trendy style; and the compact slim size let AH223 can easily slip into the jean pockets, purses and handbags. AH223 adopts special pen cap design, so its cap can directly plug into the bottom of USB body while data transferring. Its plug-and-play advantage and great storage capacity can help user to take documents, photos, presentation, video and music everywhere. Therefore the smart AH223 can solve the annoying cap-lost problem for user forever!

According to Apacer's Product Director, C.K. Chang, "in the digital age, the digital data storage has become a new basic need for everyone. We all need a convenient USB flash drive to carry our digital files. This is the reason Apacer presents new AH223, a handy steno offers the simple and direct solution for every computer user." With compact and thin size, unique cap-lost free design, easy carrying convenience, and plug-and-play function, AH223 brings user an easy and efficient data transferring experience. Whatever you are student, office worker or business professional, AH223 can perfect fit with your basic digital need.

AH223 not only provides the most basic digital solution, but also brings the user a distinguished urban fashion style. AH223 adopts modern ivory color and dresses with fresh fluor green color in the edge. It also features a bright yellow green LED indicator to show the data transferring status. With convenience and style, AH223 is simply the best USB flash drive for every computer user. AH223 will be available in the capacity from 512 MB to 4 GB.
