Apacer Unveils 4GB microSDHC Card

By PC World Team

Tuesday, February 26, 2008 11:23:08 AM PST

   

Apacer Technology announced its new product lineup of high capacity flash memory cards starting with a 4GB microSDHC in a class 6 speed rating, while 8GB microSDHC is scheduled to be launched in 2008 Q1.

Apacer offers a complete lineup of mobile cards, microSD and microSDHC cards ranging from 1GB to 8GB. An 8GB microSDHC card is capable of storing around 2,048 digital songs, more than 2,400 high-resolution pictures, or up to 34.3 hours of high-quality MPEG 4 video.
