### Apple iPod Nano

\$279 / APPLE / 13 36 22

[www.apple.com.au](http://www.apple.com.au)

Although there are some great flash-based MP3 players on the market, none offer more than Apple's new iPod Nano. We liked the Nano because of its slim design, excellent interface and the 2in widescreen display, which makes it possible to actually watch video on this tiny little device.

rating **90%**

### MICE, KEYBOARDS & GAME CONTROLLERS

Product	Review issue	Key specs	PC User says	Value rating
<b>Belkin Rustromo SpeedPad</b> \$62 \$49 <a href="http://www.belkin.com/au">www.belkin.com/au</a>	January 2008	Specialised game controller for PC	"Remains one of the best specialised gaming controllers we've tested."	100%
